

# MONGOLIA DISCOVER THE NEXT GOLDEN OPPORTUNITY

## Tech-Driven:

Leverage our investment in Artificial Intelligence and digital infrastructure to drive productivity.

## Pro-Business:

Discover our bold tax and non-tax reforms that we have introduced to foster a business-friendly environment.

## Sustainability Focused:

Invest in sectors that operate by global environmental standards to promote inclusivity while mitigating climate impact.

# MONGOLIA UP IN THE WORLD

Mongolia is the central node in the world's trade routes. Ulaanbaatar serves as a transit hub between Europe and Asia, providing enhanced accessibility for business and investors who are looking to unlock new diversified opportunities.

P50 is located just 12 mins away from the Congress Center.

Being connected to international financial and trade markets gives our small and medium enterprises exposure to best business practices and investments to take them to greater heights.

Go and be inspired by our boundless ambitions as an emerging Asian economy.

Speak to us about Mongolia's vast opportunities at the **Mongolia House (P50)**.

MONGOLIA  
ALWAYS MOVING

# MONGOLIA WHERE THE FUTURE HOLDS

Join us at Mongolia House to discover a fast-growing Asian economy that is on the path to achieving sustainable growth.

We are harnessing the vast potential of key natural resources and human capital to enhance our multi-pillared economy.

Combined with a respect for national culture and nature, Mongolia partners with the world to reimagine growth for present and future generations.
